Terms and Conditions

The terms of the sale are cash unless other arrangements have been made prior to the sale. Each animal will be sold to the highest bidder and ownership will change when the animal is sold. The auctioneer will settle disputes as to bids and his decision as to the outcome of the sale will be final.

Announcements from the auction block will take precedence over the catalog.

All horses will be examined visually only by a veterinarian and the graders on sale day. This does not constitute a soundness exam. Prospective buyers have until 6 p.m. Monday after the sale to have the horse examined further and may return the horse if it proves unsound. All sale proceeds will be held until that time.

Absentee bids: The sale manager may bid from the auction block. You may place a bid with the sale manager by calling 520/558-2303 or call the sale barn at 928/445-9571 sale day.

Prescott Livestock Auction will care for animals for 24 hours after the sale. Animals are the buyer's responsibility after they leave the ring. Arrangements must be made for leaving animals any extended period.

All persons who attend the sale do so at their own risk, and Prescott Livestock Auction, and all persons connected with putting the sale on assume no liability, legal or otherwise, for any accident that may occur.

I have owned this horse for four years. He was raised by Kyle Best in the rocks. If you need a tough circle horse and an in the pen horse, this is the one for you. He is very broke in the bridle and would make a great non-pro horse.

Consigned by: Logan & Josie Anderson, Kirkland, Arizona

LOT 18

Big Blue

Gelding • Reg. but no papers • Gray • DOB 2011 • 16-2 H

This big, stout grey horse has been used here at the sale barn for about two years. This horse is *very gentle*. I would call him an average kind of horse. He should be gentle enough for about anyone. We have roped on him some, but not a lot.

BABBITT RANCHES HASHKNIFE HORSES ANNUAL COLT SALE

SATURDAY, JULY 11, 2020 • 11:00AM

The cowboy culture has long been admired for many wonderful characteristics, for example; hard work, integrity, respect, optimism, self-reliance, family values, trust, confidence, honesty, loyalty, having a relationship with the seasons of the year, perseverance through hard times as well as gratitude during good times. We are fortunate to have the cowboy heritage to remind us of Cowboy Essence and no matter who we are or where we are in our lives, we all have the opportunity to pursue Cowboy Essence. We see examples of cowboy essence in all aspects of our communities, cultures and society whether in a schoolteacher, farmer, physician, family member at home, firefighter, law enforcement officer, businessperson, civil service worker, scientist, artist, outdoor recreationist, student or rancher. The character qualities that make up Cowboy Essence are defined in The Constitution of Babbitt Ranches and are reflected in the Babbitt Ranches core values. Since 1639, they have guided the lives and generations of the Babbitt Ranches Community. Cowboy Essence is the character and desire, developing a positive self-awareness of who we are and that we are always striving to be at our best.

The definition of Article III Cowboy Essence in The Constitution of Babbitt Ranches was inspired by the leadership philosophy of Hall of Fame Coach John Wooden.
