Bar T Bar Ranches Annual Bull Sale

April 10th, 2021 at 1:00 p.m. (PDT)

Southern Balancers, Balancers, Gelbvieh & Angus
Crater Ranch Headquarters · Winslow, AZ

**200
Bulls Sell!**

Real Ranchers – Real Tough Country – Real Results!

Bar T Bar bulls work in some of the toughest conditions in North America. They specialize in soundness and fertility – with added heterosis, optimal growth, and strong carcass merit.

Don't take our word for it, here is what our customers have to say:

Danny & Lyn and
their daughters,
Natalie and Olivia

Chapo Varela and
Ray Rodriguez,
Sonora, Mexico

"We have been using Bar T Bar Balancer bulls for 15 years. The yearlings hold up just like Bob said they would. In 2020, we had good, early grass before the drought set in. Amazingly, our 3's and 4's came in 98% pregnant in our 90-day breeding season. We feed the calves out through Country Natural Beef and 90% of our last set hit the program requirements."

Danny Major
Major Cattle Company
Chino Valley, AZ

"In Sonora, our cattle have to have heat tolerance to survive 110° F temperatures with long, dry seasons and 85% humidity in the monsoons. Straight Bos Taurus bulls can't last the whole breeding season. Most American breeds have less libido than we want. For that reason, we have been using Bar T Bar Southern Balancers. Their 1/4 blood of heat tolerant breeds works for us."

Ray Rodriguez,
Rancher in Sonora, Mexico

2021 Cattlemen's Weekend

Dedicated to

Swayze E. McCraine, Jr. (1946-2020)

This year as Cattlemen's Weekend marks its 30th anniversary, we are proud to dedicate this event to longtime Prescott rancher and developer, Swayze E. McCraine, Jr., who passed away October 21, 2020, following heart complications.

Swayze was born August 24, 1946 in Baton Rouge, Louisiana, to S.E. and Martha McCraine. Throughout his school years, showing cattle and other livestock was his passion, and he won many state championships, as well as spending every moment he could on his family's ranch at Woodville, Mississippi. After graduating from Louisiana State University in 1971 with a BS degree in animal science, he went to work for Great Plains Western Corporation, a multi-faceted cattle and grain corporation with ranches in six states.

While managing the company's Triple C Brangus Ranch near San Antonio, Texas, he met and married Kathy Gary, who was editor of the Brangus Journal. They moved to Whittier, California in 1976, where Great Plains named Swayze vice president of ranching. In 1978 he left the company to take over 6M Corporation, his family's ranching operation in Mississippi, where he ran a stocker and cow/calf operation.

Six years later he realized a lifelong dream to ranch in the West when he moved to Prescott to be involved with the Gary family's Horner Mountain Ranch at Dugas. He also joined the development company started by his father-in-law, Bill Gary.

Over the years Swayze's ranching operation continued to grow. Af-

ter selling Horner Mountain Ranch in 1995, the McCraines owned the Wagon Bow Ranch and SV Ranch at Wikieup, then the 7 Up Ranch at Prescott.

Swayze was also active in many livestock organizations and activities. Shortly after moving to Prescott, he took over management of the Arizona Hereford Association Bull Sale; then in 1988, he and Richard Smyer of Prescott Livestock Auction started the Prescott All Breed Bull Sale. In 1992 Swayze was instrumental in turning it all into Cattlemen's Weekend, northern Arizona's largest livestock event. The Arizona Hereford Association named him "Cattlemen of the Year" in 2005.

In 2005 Swayze was diagnosed with cardiomyopathy and received a heart transplant. He was a fighter who didn't let it slow him down. In 2009 KJ Kasun came on board as a partner in Campwood Cattle Company, which today is comprised of the 7 Up, the Lazy K8 at Skull Valley, and a desert lease known as the TT's at Black Canyon City. The operation includes a total of 185,000 acres of rangeland running more than 1,000 head of mother cows and

1,400 stockers, in addition to a registered Quarter Horse program.

Above all Swayze was known for his kind heart, good business sense and stewardship of the land. As one friend commented, "his word and handshake were as good as gold."

A scholarship fund has been set up in his name, and donations may be made to the Arizona Cattle Industry Research and Education Foundation (ACIF), P.O. Box 2619, Mesa, AZ 85214.

Swayze will be greatly missed, but his legacy will live on.

BABBITT RANCHES HASHKNIFE HORSES ANNUAL COLT SALE

SATURDAY- JULY 10, 2021 • 11:00AM

The cowboy culture has long been admired for many wonderful characteristics, for example; hard work, integrity, respect, optimism, self-reliance, family values, trust, confidence, honesty, loyalty, having a relationship with the seasons of the year, perseverance through hard times as well as gratitude during good times. We are fortunate to have the cowboy heritage to remind us of Cowboy Essence and no matter who we are or where we are in our lives, we all have the opportunity to pursue Cowboy Essence. We see examples of cowboy essence in all aspects of our communities, cultures, and society whether in a schoolteacher, farmer, physician, family member at home, firefighter, law enforcement officer, businessperson, civil service worker, scientist, artist, outdoor recreationist, student, or rancher. The character qualities that make up Cowboy Essence are defined in The Constitution of Babbitt Ranches and are reflected in the Babbitt Ranches core values. Since 1639, they have guided the lives and generations of the Babbitt Ranches Community. Cowboy Essence is the character and desire, developing a positive self-awareness of who we are and that we are always striving to be at our best.

Prospective buyers have until 6 p.m. Monday after the sale to have the horse examined further and may return the horse if it proves unsound. All sale proceeds will be held until that time.
